1. Welcome and Onboarding Procedures

Welcome to SimplifyX! All newly hired employees must complete the onboarding procedure during their first week. This includes completing the tax documentation forms, submitting emergency contact details, and completing the standard security awareness training module in the compliance portal.

2. Leave and Vacation Policies

SimplifyX offers a flexible time-off system. Full-time employees are entitled to standard annual leave, sick leave, and parental leave. Any leave requests exceeding 5 consecutive business days must be submitted to the HR Manager (John Doe) at least two weeks in advance for operational planning.

3. Performance Review Process

Performance reviews are conducted bi-annually in Q2 and Q4. Managers evaluate employees based on goal achievement, cooperation, and core competencies. Peer feedback is integrated into the review process, culminating in a formal performance assessment and career development discussion.

4. Code of Conduct

SimplifyX expects all team members to maintain high ethical standards. We strictly prohibit harassment, discrimination, and retaliation. All employees must safeguard client information and prevent unauthorized sharing of internal source code or documents.
