

PRISM Employee Handbook 2026

Document Reference: REF-EMPLOYEE_HANDBOOK_2026-2026

Classification: PUBLIC (Level 0)

Date of Release: May 20, 2026

Welcome to PRISM! We are thrilled to have you on board. This Employee Handbook provides general guidelines for working at PRISM.

Work Hours and Flexibility:

Our core working hours are 10:00 AM to 4:00 PM EST. However, we value flexibility and permit core team members to structure their schedules as they see fit, provided client deliverables are met and meeting attendance is maintained.

Remote Work Policy:

PRISM operates as a remote-first organization. Employees are entitled to a remote work stipend of \$1,000 upon joining to set up their home workspace. We expect all employees to maintain a stable, secure internet connection and follow company safety protocols when using VPN client profiles.

Vacation and Leave:

We offer an Unlimited Paid Time Off (PTO) policy, with a recommended minimum of 25 days per calendar year. We encourage all employees to plan vacations ahead of time and coordinate coverage with their managers.

Communication:

Our primary communication platforms are Slack for real-time messaging, Google Meet for video calls, and GitHub/Notion for project tracking and documentation.
